Miss Stirling Going Good.

The golf being played by Miss Alex Stirling, national champion, has been a revelation. This Atlanta girl is showing more class than the entire field at the Country club and seems to have the edge on all of her opponents. That she will repeat and win the title again in the general consensus of opinion among the galleries which watch her play daily. Those who have seen Miss Stirling in action are amazed at the golf she is playing. Miss Kenneth Duffield and Mrs. Dave Gault, two of the leading women golfers of Memphis and Dixie, are certain to give Miss Stirling plenty of trouble. She is going to be in the thickest of the fight all the way.

On the feature of the Tuesday play was the approaching and putting contest won in the afternoon, and which was won by Mrs. Dave Gault. Mrs. Gault was tied with Mrs. George Harrington, of Atlanta, in the contest and in the play-off Mrs. Harrington's best effort resulted in a 10, which gave the honors to the Memphis. Miss Stirling won the driving contest.

Rheumatism Has Never Been Cured by Liniments Or Lotions, and Never Will Be.

You never knew of Rheumatism—the most painful source of suffering—being cured by liniments, lotions or other external applications. And you will never see anything but temporary relief afforded by such makeshifts.

But you are satisfied with temporary relief from the pangs of pain which are sure to return with increased severity, when there is permanent relief within your reach? Science has proven

Even Clothiers Have Their Own Clothes Made-to-Order

Ready-made clothes are not good enough for them. They know and recognize the difference between clothes tailored to measure and clothes fitted haphazardly.

You, too, should have your clothes made to measure—especially when our prices are actually less—

Joe Schepner, of the Bears, Leading S. L. Third Sacker

MOBILE, Ala., May 22. (Sp.)—Records show that Joe Schepner, of the Mobile club, is the leading third baseman in the Southern league this year. This player possesses a most remarkable fielding record. In 21 games played during the home stay of the Bears, Schepner has had but one error.

His teammates boast that he has not made an error since the opening game of the year and certainly he has not kicked one since the team returned to Mobile.

Schepner plays a ground ball better than any man seen in the Southern in some years. He makes his chances look easy by playing the ball for the good hope while he has a strong and most accurate arm. Joe's third base play has been a revelation to Mobile fans and if anyone doubts this claim to honors as the premier third baseman of the league, let them come forward with a record better than that shown above for the Mobile infielder.

Second baseman Billy Meyers, released from the Mobile club, has been resigned and will be used as utility man. This is a New Orleans boy, who was used in this position, has been sent to the Spartanburg club. Walter Goltz, first baseman of the club, will not make the trip with the home team, but will remain here until he gets in condition.

Mike Donlin, former Memphis manager, who has been appearing in vaudeville and dramatic offerings for several years, has gone in for the "heavy stuff" now.

Yep, Mike's playing the role of a pick-pocket in the play, "Turn to the Right."

He's known as "Slippery Muggs," and plays the part of a deft and amiable dip.

Who knows the answer?

Dreezy Boxing Briefs

TOLEDO, O., May 22.—Ad Q. Thatch, matchmaker of the Toledo Athletic club, has practically decided upon leasing a \$30,000 cottage on the shore of Maumee bay for Willard's training camp.

The proposed camp is located about two miles west of Dempsey's quarters. The deal will not be closed, however, until the arrival tomorrow of Ray O. Archer, Willard's business representative. The champion is due here June 4 to begin training.

COLUMBUS, O., May 22.—What is considered a test vote in the Ohio house of representatives yesterday indicated that the bill introduced to give Gov. Cox authority to stop the Willard-Dempsey match at Toledo July 4 will not be passed as such else will not become effective for 90 days, or too late to hinder plans for the Toledo title match.

The test came when efforts were made to call the measure out of its order for immediate passage.

With a three-fourths vote necessary, several governors, army and naval officers and representative citizens in the house voted for and against the measure to take it up. It consequently did not come up.

TOLEDO, O., May 22.—The army, navy and civilian board of boxing control, numbering among its members several governors, army and naval officers and representative citizens in the house today answered the protest of the Federated Churches of Ohio against the Willard-Dempsey match.

The letter said in conclusion: "If you will pardon our saying so, your opposition is a half century behind the times. We consider that those who are opposing this match are incurring grave responsibility, as such opposition can only react to the detriment of religion in this country."

Two exponents of the highest skill in a given sport engaging in a contest for supremacy. We have read the rules of the Toledo boxing commission governing public contests in that city, and we have no hesitation in saying that they are a model of what such rules should be.

Ducote during his college career during baseball season performed in the outfield and as catcher, and his hitting was always a main factor in his work. Since he joined the Bears "Duke" has been playing in the outfield. His hitting has not set the league on fire, but the fans here expect the big husky to come out after a trip around the circuit.

Ducote was born at Cottonport, Miss., just 22 years ago. He was a student at Spring Hill college and graduated from this school in 1915. He is now at the Alabama Polytechnic institute, and the first year he made his letter on the baseball team. For the next two years he was a star at the college, making letters in baseball, football and basketball.

In 1918 Ducote enrolled in the navy, and in the fall of 1918 was a star on the great Cleveland naval reserves football team. This team defeated the University of Michigan, 14-0.

He was a member of the Cleveland Athletic club, and he has been a member of the Cleveland Athletic club since he joined the Bears.

CHICKS MAKE IT THREE OVER ATLANTA

Eddie Foster in Form and Crackerers Are Blanked in Final Road Game of Tribe.

ATLANTA, GA., May 22.—Can you beat it? These Chicks of Cy Barger, who came to Atlanta and won the hearts of the Crackerers, have up in the big world, kicked the Atlanta in the third consecutive time. Being ball-landers, it was expected that they would prove easy money, but they turned on the Crackerers and when the smoke cleared had lifted the poor, old Crackerers were in need of a flock of stretcher-bearers and ambulances.

Tuesday afternoon the Chicks took the Atlanta into camp by the score of 2 to 4, presenting Cholly Frank with nine juicy goose-fruits. Eddie Foster occupied the mound and he pitched well—so well, in fact, that the Crackerers could do little or nothing with his delivery. Only in very few instances did the Crackerers succeed in getting a hit, and then they were out down by a sensational stab of a ball or a neat bit of slick pitching. Thorburn pitched the hit for Atlanta and pitched the opening inning. High worked Thorburn for passes after one hand had been retired. Pug Griffin singled to left and High registered. Eddie Foster was responsible for the other Chick tally, which came in the sixth. Mandy was resting calmly on second in the sixth when Foster connected for a long three-bagger. Foster got a single in the first inning.

Sam Mayer, Cracker captain, contributed a circus catch for the Crackerers in the sixth when he robbed Cy Barger of a hit by a hard running catch. Summy tore in as the ball was hit, beginning the game, but behind second base, when he stretched like he was made of rubber and collected the ball, going down, but coming up with it in his paw.

Manager Cyrus didn't relish being robbed in an act of such fashion and protested that Mayer had picked the ball up on the first hop, but the umpire begged to disagree and the Chick chief was out.

And so ends the Cracker-Chick series, which proved disastrous to the home team, but which proved a life-saver to the talented Chicks, who are in need of all games they can get in their efforts to get out of the slump, dark cellar.

DIXIE KID, NEGRO FIGHTER, KILLED

PARIS, May 22.—The newspapers report the death of a negro boxer known as "Dixie Kid," from the effects of a blow received outside a Paris cafe Sunday evening. The pugilist, who was said to have been drinking, bumped into an American officer. It is declared that the officer hit the negro, who then lost consciousness and died soon afterward.

Well known here.

Dixie Kid, the negro prizefighter, killed by a blow from an American officer's fist in Paris Sunday, is well remembered by the champions of the ring as he fought here on numerous occasions. His last fight in Memphis was with Sam Langford, the Boston heavyweight, who took the prize.

He was a native of Memphis, but blew in here one day about seven years ago. He fought all the best negro fighters and was said to be one of the greatest welterweight and light heavyweight boxers that have ever shown in the ring. He would take punishment and then knock his opponent out, as he possessed a terrific punch and floored many of the leading black boxers of his day.
